

Travis Mills Foundation Veteran's Retreat

This past Summer was very special for a group of military personnel and their families. They were invited to come out and spend a week at the newly renovated Travis Mills Foundation Veteran's Retreat in Rome, Maine. This year the Travis Mills Foundation hosted 57 veterans and their families from 23 states and 4 branches of service. This opportunity enabled those families to have a fun and relaxing stay with all the accommodations needed for service members who have injuries due to military activity.

AFC was fortunate enough to be able to work with Mitsubishi and their regional reps, Roger Willet and Dave Hazel (pictured here with Travis and Marty Roy from AFC) to have some much needed equipment donated and installed. AFC recognized the need for a proper cooling system as most physical handicaps interfere with the body's temperature regulations. Staying cool and comfortable is imperative to these service members.

In addition, Marc Lacasse, CEO and President of AFC, had a special announcement during a recent company event. AFC was able to donate \$25,000.00 to the Travis Mills Foundation for use at the Veteran's Retreat.

We have learned they were able to purchase golf carts, which are necessary for the military members and their families to get around to the activities and facilities at the retreat. AFC is very proud to support our military and the Travis Mills Foundation.

For more information on the Travis Mills Foundation, please visit their website:

Meet our newest Comfort Advisors!

We would like to introduce you to our Comfort Advisors, Josh Howell and Sean Brawn. They will be covering the Central Maine area and would be more than happy to help you find the right product and service to meet your needs while staying within your budget.

Josh Howell

Josh and his family live in Whitefield on the farm that he grew up on. He has a wife and two boys, 4 and 1 1/2. Prior to working for AFC, Josh spent 11 years at Olympia Sports as a manager and district manager in Southern Maine, New Hampshire and Boston. He enjoys spending time outdoors with his family and looks forward to playing sports with his boys.

Sean Brawn

Sean is a native Mainer and has deep roots in Central Maine. He is a graduate of Cony High School where he was extremely involved in the athletic community. Sean received a Bachelor of Science in Business Administration from Husson University where he was also a collegiate baseball player. Currently living in Augusta, Sean loves to spend time with his twin babies as well as coach baseball at Thomas College.

Nothing quite as spooky as unpredictable bills.

AFC offers Price Protection Plans and a variety of solutions to help keep you on budget, including the Honeywell Lyric™ T6 Programmable Thermostat with Wifi. Contact us for more details.

AFC and J&S are proud to support this Community Event:
